

1 APRIL 1986

Dear Ed:

I am maintaining contact
with [redacted] and
[redacted]

Bill says the Donovan
exhibit centers on WWI and
will be ready in early June.
That's sooner than I expected.
But I will work on that time
frame - He says it will
go to State Dept and Pentagon
after HQ. Perhaps I will
cast a one foot model for that.

Sincerely
Sam Anderson
